**RE: CC Docket No. 02-6**

To whom it may concern,

On behalf of The Magellan School (USAC entity #17003563) I am requesting a Window Waiver Request for submission of several USAC Form 471 applications in relation to the E-Rate program. The submission window ended on Thursday, May 11, 2017 but we are only now in a position to submit our applications. The delay was due to the fact that we were unable to receive accurate bids from vendors in time to meet the deadline. This was a result of back and forth discussions with vendors who submitted incorrect bids that did not match our specifications. Those issues have now been corrected.

The USAC Form 471 applications in question are:

- 1) 171048939
- 2) 171048930
- 3) 171048999

We hope you will extend the waiver requested so that our applications can be considered for funding.

Sincerely,

Erin Defosse
